

One Hundred And Twenty-Sixth  
ANNUAL REPORT

of the

**South Carolina State  
Hospital**

FOR THE YEAR ENDING JUNE 30, 1949

Printed Under the Direction of the  
Joint Committee on Printing  
General Assembly of South Carolina

altered and renovated for administrative offices. In addition, a canteen building was constructed for added service to patients. A modern ice manufacturing plant was also completed and placed in operation at this location.

Plans were developed and contracts let for construction of an administration building and a receiving and treatment ward building at the State Park unit. A contract was also negotiated for construction of a warehouse and refrigeration plant at the Columbia unit.

### NEEDED PERMANENT IMPROVEMENTS

The following construction is seriously needed:

- Enlargement and renovation of kitchen at Columbia.
- Ward building replacement for disturbed mentally ill at Columbia, 300 beds.
- Ward building at Columbia for male patients, 250 beds.
- Ward building at Columbia for female patients, 250 beds.
- Medical and surgical building at Columbia, 250 beds.
- Maintenance shops building at Columbia.
- Cottages for physicians at Columbia, 4.
- Quarters for male attendants at Columbia and State Park.
- Chapel and recreation buildings at Columbia.
- Chapel and recreation buildings at State Park.
- Medical and surgical building at State Park, 250 beds.

### APPRECIATION

Sincere appreciation is expressed to Your Excellency, to the Budget Commission, the State Auditor, and to the General Assembly for assistance, cooperation and sympathetic understanding with the many difficulties during the past year.

There is also deep appreciation to all State, county and municipal officers for the continued splendid cooperation.

The loyalty of the entire personnel of the hospital is commendable, and to each one grateful thanks are extended.

Gratitude is expressed to the Production and Marketing Administration for the generous food supplies for patients; and also
